INTRODUCTION

PRECOR[®] IGR CONCENTRATE (PRECOR) acts on an immature life stage of the flea, preventing the adult flea from developing. Flea eggs deposited on and larvae crawling onto treated areas will not develop into adult fleas. Existing adult fleas and flea pupae are not affected. If a high population of adult fleas (the biting stage) is present, the use of an adulticide may be necessary for immediate relief. For best results, use PRECOR prior to the flea season.

When applied to surfaces where fleas are found, such as carpets, upholstered furniture, and pet sleeping areas, PRECOR prevents adult flea emergence for 7 months. Flea control on pets is important in preventing the introduction of adult fleas indoors. When using PRECOR, and fleas are a problem on pets, the pets should be treated with an effective registered flea control product to prevent the introduction of adult fleas indoors.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Harmful if absorbed through the skin. Avoid contact with skin, eyes, or clothing. In case of contact, immediately flush skin or eyes with plenty of water. Get medical attention if irritation persists.

FIRST AID

IF IN EYES

Flush with plenty of water. If irritation persists, call a physician.

IF SWALLOWED

Call a physician. Do not induce vomiting.

IF ON SKIN

Wash thoroughly with soap and water. If skin irritation occurs, call a physician. Remove contaminated clothing and wash before reuse.

PHYSICAL OR CHEMICAL HAZARDS

Do not use or store near heat or open flame.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

This product may not be used or referenced as a source of ingredient in the formulation, manufacture, or registration of any other products without prior written authorization from Wellmark International.

METHOD AND RATE OF APPLICATION

Prepare a diluted spray solution by adding 1 oz of PRECOR to 1 gallon of water. Partially fill the mixing container with water, add PRECOR, shake, and fill to final volume. SHAKE WELL BEFORE EACH USE.

Apply at a rate of 1 gallon of diluted solution per 1500 sq ft of surface area with any low pressure sprayer typically used for indoor applications. Treat all areas which may harbor fleas, including carpets, furniture, pet sleeping areas, and throw rugs. Treat under cushions of upholstered furniture. Avoid contact with treated surfaces until dry.

STORAGE AND DISPOSAL

Store in a cool place. Do not reuse empty container. Wrap container and put in trash collection.

WARRANTY AND CONDITIONS OF SALE

Seller makes no warranty, express or implied, concerning the use and handling of this product other than indicated on the label. Buyer assumes all risks of use and handling of this material when such use and handling are contrary to label instructions.
